

California Radiologic License Renewal Credits Available in Monterey, 2019 at WSAUA

The CUA is pleased to announce that it has been able to obtain ASRT activity approval for category A credit during the WSAUA 2019 Monterey meeting. Urologists can therefore obtain needed credits for X-ray license renewal by attending specific sessions while at the Western Section Annual Meeting. Note: 10 CEU are required to satisfy the California Department of Public Health requirement for renewing permits and certificates in radiographic technology. Urologists can earn these CEU credits at the same time they earn their CME credits. Simply fill out the ASRT Attestation Form provided at the annual meeting to claim your credits, drop in the evaluation box for your certificate to be Emailed to you after the meeting.

Credit certificates are free to California urologists courtesy of the CUA. The value of this certificate is \$400. Below are the courses that have been qualified for the number of credits determined by the ASRT. Use this list to plan your session attendance. Remember to fill in your ASRT Attestation form, drop in any Evaluation Boxes provided.
